

PENCIL THIN MUSTACHE

MATERIALS FOR 1 MUSTACHE:

Scotch Tape

Marker

Template of Mustaches

Scissor

If using a File Folder: File folder & Pencil & Colored marker

If using Craft Foam: Craft foam & Bendy straw

DIRECTIONS:

IF USING A FILE FOLDER:

First, choose the mustache shape.

1. Cut out one shape from the template or draw your own.
2. With the file folder closed, place the flat end of the shape along the fold and trace the mustache shape. Cut out the 3 sides of the mustache that are not on the fold. Be careful to not cut along the fold.

Next add color.

3. Unfold and color the mustache.

Finally, put it all together!

4. Tape the pencil in the back along the fold.

IF USING CRAFT FOAM:

First, choose your mustache shape.

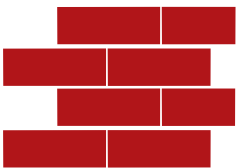

1. Cut out the shape from the template or draw your own.
2. Fold the craft foam in half. Place the flat end of the shape along the fold and trace the mustache shape. Cut out the 3 sides of the mustache that are not on the fold. Be careful to not cut along the fold.

Next straighten out the mustache.

3. Unfold.

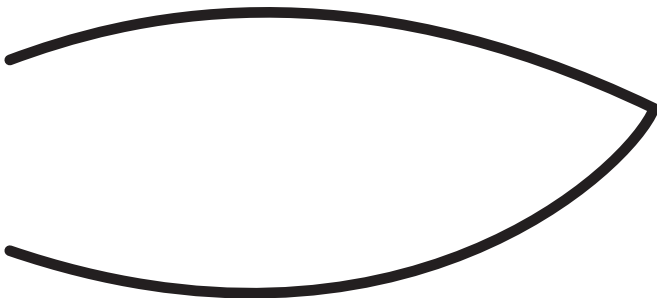

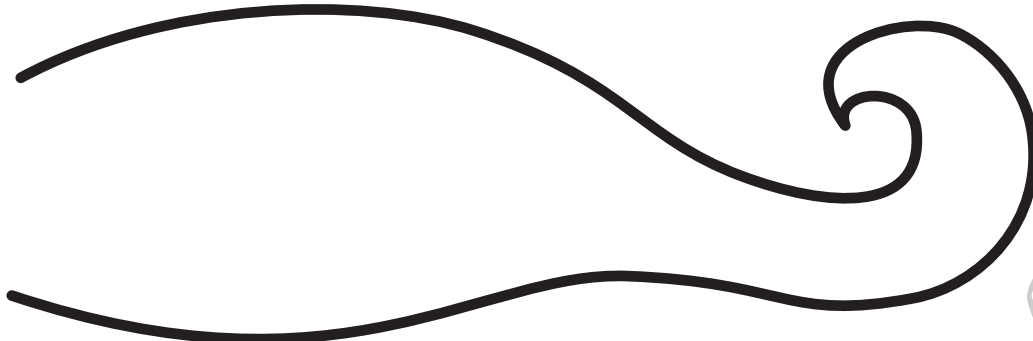

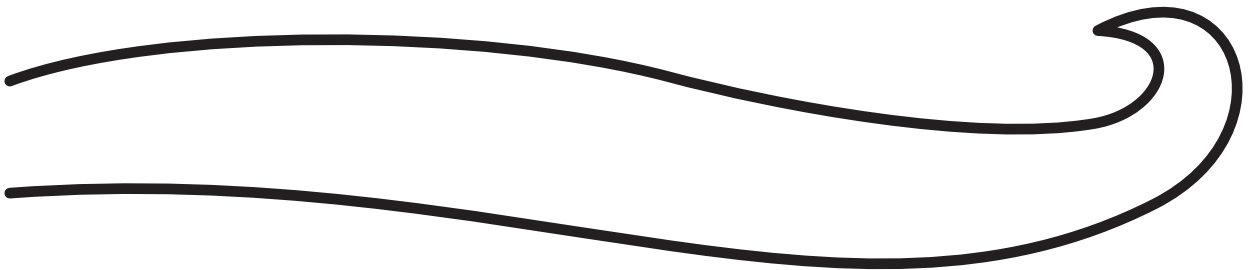

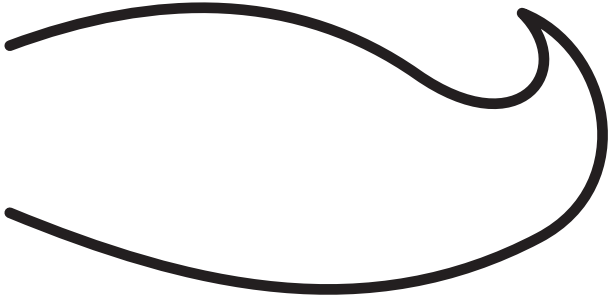

Finally, put it all together!

4. Tape the straw to the back of the mustache. Position the mustache so it covers your upper lip when the straw is bent and in your mouth. You might have to experiment to get the position right.
