

FAIRYTALE HOUSE

MATERIALS FOR 1 FAIRYTALE HOUSE:

1 Paper Lunch Bag or Paper Grocery Store Bag
Craft Glue or Glue Stick or Scotch Tape
Newspaper (or other stuffing for the bag)
Decorations for the bag such as:
Rick Rack Trim, Stickers, Buttons,
Craft Foam, Pompoms, Nuts and Bolts
Construction Paper
Markers or Colored Pencils

DIRECTIONS:

First, create the Fairytale House.

1. Fold down the top of the bag. Wait until later to tape the bag closed.

Next, decorate it.

2. This is your house. Make it look however you want it to look. If you like, you can use construction paper for the door and windows and a button as a doorknob. You can draw grass or bushes along the edges. You can glue doodad's all around. It's your choice!

3. (Optional) On the back of the bag, write a story or draw a picture related to the house. You could write about the people who live in the house or draw their picture. You could write about how living in the house made the people feel or draw a picture that shows how they are feeling. You could write any other story or any picture that you would like to share. It's your Fairytale House so let your imagination guide you.

Finally, put it all together!

4. Stuff the bag so it stands up on its own and admire your creation!
